Registration for the 3's, 4's, and full-day tuition-based preschool classes is handled entirely online. Enrollment for new families will open in mid-February 2025 and will remain open until classes are full.

Application for the PreK Counts class is handled online as well; this class has a different enrollment process. See the PreK Counts class description for more details.

Children must be independent in the bathroom for all Redeemer preschool classes.

Redeemer Lutheran School PreK Counts Program

The remaining class option is a daily preschool class; it is operated under the "PreK Counts" program. This class is offered at no cost to families who qualify. Tuition is covered by a state grant; families must submit applications with complete financial information for 2024 in order to be considered.

Daily attendance is required. Children must be 3 or 4 years of age by September 1st and independent in the restroom in order to apply.

Our full-day Penn Hills campus preschool class meets Monday-Friday. Morning snack and lunch are provided every day as part of the program. There are two teachers to oversee this class.

If you are interested in the PreK Counts class, view the income requirements listed below to determine if you qualify. Your adjusted gross income cannot exceed the amount listed for your family size. Application is handled online for this preschool program; please contact Alison Jackson at 412-793-5884 or admissions@redeemer-oakmont.org for the link to the application. Parents must provide copies of the following items in order for the application to be considered:

Child's birth certificate

Child's immunizations record from the doctor's office

Record of all household income for 2024, including W-2 or paystubs, SNAP, TANF, child support, unemployment, etc.

Proof of residency (utility bill, mortgage bill, rental lease/agreement)

The number of applications received for the PreK Counts classes is typically greater than the number of available spaces. Applications will be reviewed using selection criteria provided by the state, and families will be contacted with the results of the review by the end of April.
