

2025-26 School Year List of Low-Achieving Schools near Redeemer

Public elementary and secondary schools within this Commonwealth that ranked in the lowest 15% of its designation as elementary or secondary for the 2023-24 school year based on the combined Mathematics/Algebra I and ELA/Reading/Literature scores from the annual assessments (PSSA, PASA, and Keystone) administered in 2024 are listed below.

Pursuant to Section 2010-B of the School Code, 24 P.S. §20-2010-B, the Pennsylvania Department of Education (“PDE”) is required to publish a list of “low achieving schools”. PDE is also required to provide notice to school districts with low achieving schools. Students currently enrolled or would be enrolled for the upcoming 2025-26 SY or living within the residential boundaries of these schools are eligible to apply for an Opportunity Scholarship Tax Credit (OSTC) Program scholarship.

By Statute, the term 'low-achieving school' shall not include a charter school, cyber charter school or area vocational-technical school.

Closed schools and special education schools were also removed from the list.

By Statute, the definition of a secondary school was one that had an 11th grade and an elementary school was any other school.
