

2026-27 School Year List of Low-Achieving Schools

Public elementary and secondary schools within this Commonwealth that ranked in the lowest 15% of its designation as elementary or secondary for the 2024-25 school year based on the combined Mathematics/Algebra I and ELA/Reading/Literature scores from the annual assessments (PSSA, PASA, and Keystone) administered in 2025 are listed below.

Pursuant to Section 2010-B of the School Code, 24 P.S. §20-2010-B, the Pennsylvania Department of Education (“PDE”) is required to publish a list of “low achieving schools”(excluding charter schools, cyber charter schools, and area career and technical centers). PDE is also required to provide notice to school districts with low achieving schools. Students currently enrolled or would be enrolled for the upcoming 2026-27 SY or living within the residential boundaries of these schools are eligible to apply for an Opportunity Scholarship Tax Credit (OSTC) Program scholarship.

By Statute, the term 'low-achieving school' shall not include a charter school, cyber charter school or area career and technical school. Closed schools and special education schools were also removed from the list.

By Statute, the definition of a secondary school was one that had an 11th grade and an elementary school was any other school.
